

I requested to be placed on Indiana's No Phone Solicitation List as soon as I heard about it. I am a police officer and work shift work. Because of my work I could not just unplug the phone when I was sleeping. Phone solicitors would call approximately 10 times a week. Since getting on the Indiana list that has dropped to around one call a month. I fear that a less restrictive Federal law may once again ruin my rest. Thank you for your consideration not to allow this to happen.
